★STORIES

When he was in high school, Honda attended a Sentai Ranger event and ran into Kaidou who was dressed in a Sentai Ranger costume. At school, Kaidou is rumored to be a delinquent who has connections to the yakuza and is feared by the other students. The truth is, Kaidou is a guy who loves special effects and is working hard to make his dream of becoming a suit actor come true. As he personally got to know Kaidou, Honda finds out that contrary to the rumors, Kaidou is a shy and diligent person. Sometimes when Kaidou would make a troubled-like expression only towards him, Honda recalls both happiness and a strange sensation. However, when Kaidou slowly opens up to his classmates, Honda ends up revealing Kaidou's secret and hurting him out of jealousy. Feeling regretful, Honda asks his classmates Fujita and Kawasaki for advice and eventually realizes his true feelings. When he apologizes and confesses to Kaidou, Kaidou also tells him that he has always liked Honda. With their feelings cleared up, the two now share a mutual love.

★CHARACTERS★

★ KAIDOU RYOU

Shy, tough-looking

He is feared by others at school, but thanks to Honda, he is able to get along well with his classmates. He is currently going out with Honda. Although he looks intimidating, he is actually a diligent and shy person.

★ HONDA KYOUSUKE

Friendly and carefree

He consulted with Fujita and Kawasaki about his love problems and through their advice, he eventually went out with Kaidou. He has an honest personality and tends to speak his mind right away.

★ FUJITA KAKERU

Unconsciously optimistic

Kawasaki's childhood friend. He really likes girls and easily gets carried away. Since this habit did not develop into anything serious, he did not get a girlfriend until high school. He often smiles cheerfully like an idiot.

★ KAWASAKI ITSUKI

Can easily be relied on

Fujita's childhood friend. He realized his feelings for Fujita during primary school, but decided to stay as Fujita's close friend since he did not want to ruin their relationship. He is reliable and good at taking care of others.
